Welcome to Woozworld

We're glad to have you join us in Woozworld! With over **25 million registered** users in our successful **online virtual social network**, Woozworld is now accessible from anywhere with your iOS 7 device (iPod Touch, iPad and iPhone).

The first-of-it's-kind app includes all the great features of our popular online world for tweens, adding an exclusive-mobile only experience. All content that is created and designed in the mobile app is also available on Woozworld.com.

Some facts

Woozworld's millions of active tween (or some people may call them preteens) users spend, on average, some **1,643 minutes per month**, at an average of **53 minutes per session**, playing and socializing on our secure site that is COPPA & PRIVO compliant. We never expose our user's identities.

Woozworld surveyed it's tween users to find that 100% of them have direct access to a mobile device, **60% own and iPod**, **20% have a smartphone** and **20% an iPad**.

We Take Protecting Our User's Privacy Seriously

Keeping our tween users safe and respecting their privacy is our top priority.

Woozworld is fully **COPPA** (Children's Online Privacy Protecting Act) compliant and participates in the PRIVO® Privacy Assurance program. Our Privacy Policy is in place for the **protection of child's personal information** and has been approved by PRIVO®.

Our safe and supervised **chat tool only allows pre-approved words** and is powered by cutting-edge CRISP Thinking™ technology.

Woozworld is also **patrolled by an experienced team of moderators** that work to ensure our user's safety and all Woozens must accept and follow our **Code of Conduct**.

Millions of tweens visit us every day to play online in our virtual world and enjoy a safe and fun social experience. **Being online in Woozworld is hanging out with the right crowd!**
